The Utah Bankruptcy Court offers a simple bankruptcy case lookup ability directly from this website.

Please click here to access the Simple Case Lookup. **[1]**

This information is updated daily and can be used by debtors to determine such details as:

- When is the 341 Meeting of Creditors scheduled
- What is the last day to file a proof of claim
- Party information; trustee & attorney contact information
- Case discharge and dismissal dates

The Simple Case Lookup utility will allow you to search using the following information:

- Case number search
- Last 4 digits of social and last name search
- Business name search

Questions regarding this utility, and any information displayed, should be directed towards the Bankruptcy Clerk [2] via email or by calling a Case Administrator (801-524-6687) for more information.
