Re: Update to the U.S. Trustee's Means Testing Information Web Page

Please be aware that the U.S. Trustee's means test information web page has been recently updated for completing forms B22A and B22C. The Census Bureau's Median Family Income Data and Administrative Expense Multipliers found on the web page have been updated and will be effective for cases filed on or after February 1, 2007.

The IRS National Standards for Allowable Living Expenses and Local Standards for Transportation and Housing and Utilities Expenses will be updated by the IRS later this year. The U.S. Trustee's office will update their website accordingly.

To access the U.S. Trustee Means Test information page, visit their website at:
