## Events listed Alphabetically

The docket events shown on the pages that follow are formatted to list the event first, then the menu option is typed directly after the event. The menu option is shown in the dark portion of Figure 1 (displayed in blue on a computer screen). After selecting the menu option, the next item shown is the category under which you will find the event. The categories shown in Figure 1 are Appeal, Creditor Maintenance..., Judge/Trustee Assign, etc.

Not all events that could occur in a civil proceeding are found under the Adversary menu. It may be necessary to file some adversary documents under the Bankruptcy menu section. **If you don't find your event under the Adversary menu use the Bankruptcy event to file your pleading.**

The exception to this is the uploading of electronic orders. If you are uploading a bankruptcy order, you must use Pending Order Upload; uploading an order to an adversary case, use Order Upload for Adversary.
